Am-Can '77 is now past history, and thanks to all of you, it was a great success. With this years tournament, we have now reached our first five year plateau and have grown from 230 competitors in 1973 to 539.

On Saturday we fought 306 Juniors (96 girls) and on Sunday we fought 233 Seniors. (Men: Rokyu-Yonkyu 39, Sankyu-Ikkyu 96, Dan Grades 43; Women: Rokyu-Sankyu 30, Nikyu-Dan Grades 25.)

There were 77 clubs participating, ( 35 American, 42 Canadian) with 27 American Clubs placing and 32 Canadian Clubs placing. The point totals were 297 for the Americans and 288 for the Canadians.

The Waseda Judo Club, with this years win, has now tied the Dojo of Ocean County's record of winning the Challenge Cup two years in a row. The Cup tally thus far is four years for the States and one year for Canada.

We cannot close our report without extending our sincere gratitude to George Harris. George has been with us since our beginning and we hope that he will continue to come for many more years. Also, a gold medal should be presented to Joan LaFreniere, our trainer. This was Joan's second year with us and we really appreciate the help and assistance she has given us.

Our Canadian dignitary this year was Bill Manson of Judo Ontario. Thank you Bill for attending and lending your helping hand.

Also, we were honored to have Bill Horve and Martin Bregman from the USJA Central Office. They came mainly to certify referees and we hope that they enjoyed working with us as much as we enjoyed having them here.

The tentative date for next years Am-Can is May 6th and 7th, 1978.

A suggestion has been proposed that we run the Seniors on Saturday and the Juniors on Sunday. Any comments you may have regarding this proposal will be given our upmost consideration in making our decision, so please let us hear from you.

Last, but not least, thanks to all who worked so hard to make this years Am-Can the largest yet.

As I mentioned before, plans are already under way for Am-Can '78, so please get your comments and suggestions in early so that we can review them and make any necessary changes to insure an bigger and better Am-Can.

See you at Am-Can '78
