Greetings

The 25th Anniversary of the AM-CAN International Judo Challenge, Inc., is now history.

The total AM-CAN is partially due to the dedicated staff of volunteers who spend much of their free time over the year planning and executing various touches to create this event. The final results owes much of its success to the many people and clubs from Canada and the United States who walk in and go to work. The amount of concentration and effort is phenomenal, especially when they are aware that errors could effect the results of a match. Judo owes a large "thank you" to the time-keepers, score-keepers, match setters and referees who perform the sometimes thankless "boiler works" jobs.

This years success was assured by the 1964 Judo Olympians who attended and helped all of us to celebrate our 25th anniversary. Their enthusiastic participation in all phases made this project a rousing success. Everyone who came into contact with them was impressed with their graciousness and courtesy - we were graced by the attendance of the best of the best. Our sincerest thanks to all of them.

The competition consisted of 862 competitors and was marred by only one injury. Due to prompt action by skilled trainers and medical personnel, the injury was properly cared for and the young competitor is well on his way to a complete recovery. The parents wished to extend their thanks and appreciation to all involved and especially to those who donated money that went toward his medical insurance deductible.

Again, the AM-CAN Committee wishes to express their gratitude to all those who attended and especially to those, without whose assistance, the event couldn't happen.

Sincerely

*Me*

Melvin N. Ginter  
Chairman

*The time we have is always
